

## HANGING INSTRUCTIONS FOR ARTWORKS USING A **KEYHOLE HANGER**

Austin Kerr

If your artwork had keyhole hanger on the back, we will include DecoNails for mounting the work to the walls. DecoNails are designed specifically to securely hang your wall décor items in drywall. They can hold up to 20 lbs (9 kg) on a single nail, and are designed to be installed in the wall at a 90 degree angle so the plastic head of the nail is flush to the wall.
